

SECTION: AG SERVICE BOARD

SUBJECT: SEED PLANT INSPECTIONS

Original Resolution No.: 97-04-05
Revised Resolution No.: 04-07-37

Seed Plant Inspections

1. Agricultural Fieldman is to carry out annual seed plant inspections at recognized seed cleaning plants (Border/Sunshine) within the County with the Regional Plant Industry Supervisor and a member of the Provincial Seed Cleaning Plant Coop Association.
2. These inspections will be for permanent or temporary plants on an unannounced basis.
3. The Agriculture Service Board will process all requested applications in regards to the Alberta Agriculture Seed Plant Programs (i.e. upgrading), but will assume no financial commitment.
