

SECTION: AG SERVICE BOARD

SUBJECT: STORED GRAIN INSECT POLICY

Original Resolution No.: 04-11-07

### **Stored Grain Insect Policy**

1. The Agricultural Service Board will limit its involvement to only a preventative maintenance program. This will include two Agricultural Service Board employees and/or farmer to accompany ASB employee and one spray unit which comes with safety equipment.
2. The Agricultural Service Board will assist producers in acquiring permits from the Department of the Environment and supply chemical at cost to control grain beetle infestations
3. The Agricultural Service Board will not supply any safety equipment for use by producers.
