

SECTION: AG SERVICE BOARD

SUBJECT: HAYBUSTER DRILL

Original Resolution No.: 98-08-07

Revised Resolution No.: 04-07-37

### Haybuster Drill

The Agricultural Service Board will retain one ten foot Haybuster 1000 Seed Drill for use on County approved projects only.

### Guidelines

1. The Haybuster Drill will be used on approved projects only using the following guidelines:
  - Grass seeding along newly constructed roads
  - Small Salinity Demo Plots
  - Selected Watershed Recharge and Discharge Areas
  - Special Projects as approved by the Agricultural Fieldman
2. The Haybuster drill will not be available for use or rent by any agency other than the County of Warner No. 5 Agricultural Service Board .
3. Use of the seed drill, on any project, requires the approval of the Agricultural Fieldman.
